

Get your students moving—and thinking! In this fast-paced game, players pass around a ball or plush animal while naming adjectives that describe each creature. It's perfect for warm-ups, transitions, or a little wiggle break that reinforces parts of speech.

**What's Included:**

- ✓ 24 animal cards (one per page or quarter-page cutouts)
- ✓ Use for: Grammar Hot Potato, adjective brainstorming, descriptive writing prompts, or centers

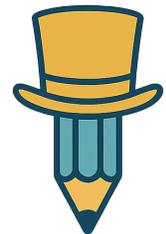

**How to Use:**

Draw an animal card.

Pass a ball or stuffed animal around the circle.

Each player must call out an adjective before passing it on.

Keep going until time runs out or no new adjectives can be found!
